Education

Silicon University

Bachelor of Technology in Computer Science And Engineering (CGPA: 8.65 till 6th semester)

August 2022 - June 2026

Odisha, India

St Jagat Gyan Public School, Ranchi

Higher Secondary Education in Science Stream (72%)

August 2019 - June 2021

Jharkhand, India

Work Experience

Syllogistek System

React Native Intern

July 2024 – August 2024

- Developed a real-time carpooling mobile application with ride booking, Google Maps API integration, in-app payments, and a responsive UI using React Native.

Syllogistek System

Python Programming and Application Intern

August 2023 – September 2023

- Built a Hospital Management System (CLI-based) in Python, managing over 50+ patient records and appointment data using structured text files

Technical Skills

Languages: C++, Python, JavaScript, Java

Technologies/Frameworks/Libraries: ReactJS, ExpressJS, NodeJS, React Native, Git, GitHub

Database: MongoDB, MySQL

CS Fundamentals: OOP, DBMS, DSA

Projects

ZoomiGo – Car Rental System

- Tech Stack:** React.js, Node.js, Express.js, MongoDB, Tailwind CSS, JWT, Razorpay, Cloudinary, Botpress, Google OAuth
- Designed a secure, full-stack car rental platform with three roles: Admin (vehicle & booking management), User (bookings & payments), and Owner (booking visibility & earnings).
- Integrated Razorpay for real-time payments and Cloudinary for efficient vehicle image uploads.
- Implemented a custom Botpress WebChat chatbot to assist users with FAQs like booking, payments, and cancellations.
- Enabled Google OAuth login for Owners, supporting multi-vehicle earnings and booking insights.

DocSpot – Hospital Management System

Live

- Tech Stack:** ReactJS, Node.js, Express.js, MongoDB, Tailwind CSS, JWT, Razorpay, Cloudinary
- Developed a secure, role-based hospital appointment system supporting Admin, Doctor, and Patient workflows using JWT authentication.
- Integrated Razorpay for secure online payments and Cloudinary for media storage.
- Developed responsive admin and doctor dashboards using Tailwind CSS.

Academic & Extracurricular Achievements

Top 20 finalist in Intra-College Hackathon.

2nd Runners-up in Intra-College Smart India Hackathon Round.

Solved 200+ DSA problems on GeeksforGeeks LeetCode.
